

Toad Hollow Vineyards

2007 Pinot Noir
Russian River Valley
Goldie's Vines

Here we go again! This is the ninth vintage from the beautiful Goldie's Vines Vineyard. It seems that every year the grapes are a little more intense and have a bit more flavor profile than the previous vintage. This year is no exception, in fact, we feel it is the best to date! Thanks to the good weather in 2007 we are back to full production this vintage. This wine is just luscious!

Our favorite descriptor of the vineyard is from our partner Rod. "Pinot Noir, the diva of the reds loves to sleep late and awaken slowly as the sun gently warms her flesh. In the beautiful Russian River Valley, the cool evening fog rolls in like a soft blanket to embrace and protect her until late morning." This is the story of the wonderful Goldie's Vines Vineyard. There are six different clones, three different root stocks, and a perfect southeast facing slope above the Russian River that is the bed for these lovely grapes. Fog, river bottom gravel, and the longest and slowest ripening season in America solve this mystery that is so delicious.

The wonderful fruit from Goldie's Vines Vineyard, coupled with the low yield and concentrated flavors lends itself to a wonderful wine that is both approachable and elegant! Silky black cherry and raspberry flavors linger on the tongue. This wine is balanced and ready to drink!

Alcohol: 14.7
TA: 0.56
pH: 3.60
RS: 0.03
