

Toad Hollow Vineyards

Sauvignon Blanc

2008 "Askew"

Paso Robles

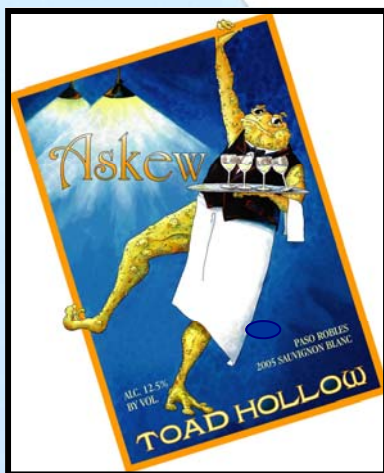

As the back label states, "if we aren't a half bubble off, nobody is!"... With the good Dr. Toad, the Dancing Badger, Hank the Weiner Dog and the rest of the crew here at Toad Hollow Vineyards this just might be the best description I have ever heard!

We love Sauvignon Blanc and felt it was time to make our own! We found amazing fruit from our friends in Paso Robles, and our graphic designer created another fanciful label that we think is perfect for this fun wine!

This sauvignon blanc is crisp and clean with great acidity. We have produced a wonderful wine that is a stylistic cross between a Californian and a New Zealand Sauvignon Blanc! Citrus notes bounce off your tongue and the finish sparkles! This wine has notes of grapefruit and lemon zest that tempt the tongue. There is still no oak to hide the intricacies of this lovely little grape!

Enjoy this wine with just about anything! Take it on a picnic, savor a bottle amongst friends, or simply enjoy a glass while watching the sunset on the back porch (my favorite way!).

Grab a bottle and enjoy!
