Wine Notes:
The grapes for our Toad Hollow Chardonnay are sourced primarily from Mendocino County with a portion coming from cool climate vineyards in Monterey.

The 2025 California winegrape harvest was defined by a cool, steady growing season that allowed slow, even ripening and produced wines with bright acidity, vibrant flavors, and elegance. This Chablis-style Unoaked Chardonnay is bright and crisp with an exciting blend of both tropical and citrus notes. Partial malolactic fermentation adds a fleshy weight to the palate while a long, slow cold fermentation preserves the delicate yet concentrated flavors and aromatics.

Label Art:
