# TOAD HOLLOW VINEYARDS

*- since 1994 -*

## Our Story

Since 1994, Todd Willians - Dr. Toad, and his friend Rodney Strong - The Dancing Badger, shared a love for wine and food. They embarked on an adventure to create wines that captured their special friendship, they called it Toad Hollow Vineyards.

## Our Spirit

It all began with a small batch of Russian River Valley Chardonnay, 100% stainless steel fermented with no oak influence, embodying their commitment to purity of flavor and true expression of the fruit.

## Today

Toad Hollow proudly stands as the #2 best-selling unoaked Chardonnay in the U.S., a testament to the enduring allure of their vibrant and delicious wines.

*"A FRIEND IS ONE OF THE NICEST THINGS YOU CAN HAVE, AND ONE OF THE BEST THINGS YOU CAN BE."*

## How to be a good friend:

### Be Kind

Say kind words of encouragement. No act of kindness, no matter how small, is wasted.

### Listen

Listen to understand, not to reply.

### Share

Happiness is sharing good wine with good friends.

### Support

The best way to find yourself is to lose yourself in the service of others.

### Be Honest

But never say "I toad you so."
